Report Card Pledge Sheet

In an effort to keep my grades and school spirit high, I ____________________________________,
hereby pledge to do my best in school, to have a winning attitude, and to be on my best behavior every day. Would you be willing to pledge a few dollars for my ***A's & B's*** to help raise money for ***The Breast Cancer Charities of America***? Or, give a one-time donation? At the end of the grading period, I will show a copy of my report card as proof of my efforts.

Thank you for your support,
