

THE BREAST  
CANCER CHARITIES  
OF AMERICA

loves Lilly Pulitzer®

There are many causes close to our heart and right at the tip top of our list is breast cancer research. We are an office full of women working in a pink building, designing clothes for the strongest, most fabulous and wonderful ladies in the world! The Breast Cancer Charities of America (BCCA) is our focus this fall. To show our support, we designed a limited edition murfee scarf and charm bracelet with our favorite symbols of hope in mind. Think butterflies, sunshine, ladybugs and (of course) all things pink. Wear them with pride!

The Breast Cancer Charities of America is an organization that brings together progressive breast cancer authorities from a variety of healthcare and allied professions. With hundreds of years of combined experience behind it, BCCA is an agent for change dedicated to ending breast cancer.

Lilly Pulitzer is making a donation of \$10,000 to iGoPink Fashion Fights Breast Cancer Campaign sponsored through the Breast Cancer Charities of America.
